

# Staging Your Home For Photography

## Before Shoot Tips

Turn on all lights.

Turn off all fans.

Clean dust off of fans especially white fan blades.

Make sure your toilet seat is down.

Remove or hide all tags that are on pillows, blankets.

Remove all items from sinks, kitchen and bathroom.

Don't allow your box spring to show adjust sheets to bed frame.

Remove all inside trash cans, kitchen, bathroom.

Put outside trash can on the curb.

Remove pet dish, bed, scratching post.

Turn off TV, computers.

Remove guns on walls.

Remove stuffed animal trophy.

Remove images of your children from walls, refrigerator.

Remove personal items, medical equipment.
